

Product information & USPs

– Embedded Lending

Product description

Business loan

With [Partner] Business loan, you can borrow from 500€ – 100.000€ to invest in your business. Apply in minutes Business loan page in the [Partner] App/Portal and have the money in your account within 24h from approved application. The loan is repaid automatically from your [Partner] account through weekly withdrawals.

How does it work

1. Apply
Apply on the Business Loan page in the [Partner] App/Portal.
2. Sign the contract
When you've completed the application you'll get a link to your loan agreement that you can sign digitally.
3. Money in your account
If your application is approved, the loan is disbursed right away and you'll have the money in your account within 24 hours.
4. Automatic repayments
The loan is repaid automatically via weekly withdrawals from your [Partner] account. If you want to pay off your loan early, it's completely free of charge.
